

Central Indiana Chapter #642

Dear Landowner,

As "The Habitat Organization" we are excited that you have decided to establish habitat in Central Indiana and contacted us for help! To make this process run smoothly, we ask that you fill out the following documents:

- 1-Habitat Project Agreement
- 2-USFW Habitat Development Agreement
- 3-Waiver
- 4-Aerial photo or plat map outlining your project (can use Google Earth or Terraserver.com)
- 5-PF membership number included on all documentation (*If not a current member please complete the PF Membership Enrollment Form and include it plus \$30 with your documentation.*)

All forms can be accessed on our website at www.pfcic.org under Landowner Agreement Forms.

All documentation must be received prior to processing your request.

Pheasants Forever is a non-profit conservation organization dedicated to the protection and enhancement of pheasant and other upland wildlife populations through habitat improvement, public awareness, and education. We are unique among most conservation groups in the fact that all monies raised locally stay locally, except for the \$30 membership fee. Our main source of funding comes from our annual banquet, usually held in March. Since we do not charge for our services we are very receptive to any donations (can be non-monetary) or support attending our banquets and fund raisers. Remember, this now YOUR chapter, make the most of it, get involved!!

Sincerely,

Pheasants Forever - Central Indiana Chapter Habitat Chairman
